

Product datasheet

Osteoflex Luxe

Particularly suitable for those who concentrate on treatment of the spinal column. Thanks to the unique fold-down side supports, you can stand closer to the patient. This enables you to exert more force with less strain on your own shoulders and back. The arm supports provide a very comfortable ventral position, with the best possible relaxation of the shoulder and neck muscles. Perfectly suited for osteopathic manipulations.

Standard features

- Three-section couch with adjustable head-middle- and leg section
- All sections gas spring supported
- Arm supports in the head section
- Unique fold-down supports in the middle section
- Electrical height adjustment, operated by peripheral foot switch from all 4 sides of the couch
- Gymna cushion heating with 2 temperature settings and hand control
- Gymna Stability Profile (GSP)
- Cushions with duo-padding, with a high-density lower layer
- The Luxe cushions are finished with tough saddle stitching
- Breathing hole in head section, incl. cushion
- Central wheel-lifting mechanism with 4 casters
- Non slip feet
- Cushions in a choice of 11 colours
- Prepared for hip traction support
- Prepared for shoulder traction supports

Ordering data

125 064 Osteoflex Luxe incl. peripheral switch and cushion heating
